For every **“NEW”** volunteer that applies, completes training and is put on the schedule your name will go in a drawing for a Gift Card!!! The more NEW volunteers you send our way, the more chances you have of winning. One winner per session to be drawn at the end of each session. There are only two trainings left for 2014...get those new volunteers started today!

Kroger Cares is changing to Kroger Community Rewards:

Effective September 1, 2014 the Louisville division of Kroger's (serving Kentucky, Southern Indiana and Southern Illinois) is dedicating \$3 million dollars to local schools and charities; one of those being CKRH!

It is so simple, no more gift cards to re-load and keep up with, just visit the following secure website anytime and register your Kroger Plus account to Central Kentucky Riding for Hope. Every time you use your Kroger Plus card; CKRH

will earn reward points, which become money. It's that easy! Thank you for participating in the easiest fundraiser program around...Where shopping and Giving come together!
