### You're Not Too Late!

Your time spent at CKRH is invaluable! From our programs to admin projects, **we are thankful** for the time you give us. You've probably noticed how much hay is needed for our herd, how many stamps are used in a single donor mailing and even how many light bulbs it takes to light up our state-of-the-art facility!

All of which can become very costly.

Please consider a tax-deductible gift to our Annual Fund. This funding contributes to the day-

to-day costs of operating our facility-electric, water, telephone and many more necessities.

### Maybe you're tired of giving and receiving holiday gifts of socks and gift cards?

Your gifts to CKRH can be made in honor or in memory of a loved one. Just let us know at the time of donation, and we will send the honoree a card explaining your generosity and how beneficial the gifts to us.

Or perhaps you prefer to give and receive **gifts that you can wrap and un-wrap??** Add items from [our wish list](#) to yours!!!

However you choose to give, your support enables lives to be changed by the power of the horse. Online gifts can be made [here](#)

## Community Connection...

### Asbury University

In November CKRH staff members had the opportunity to speak with faculty, staff and students of Asbury University. Jenny Jackson participated in a panel discussion about careers in the equine profession.

Vickie hosted a booth for the Intern Fair and enlightened many students on the opportunities available throughout the year.

PATH Int'l Conference in Williamsburg, VA

CKRH Staff members attended the National Conference in November. They participated in educational lectures, networked with other centers and took part in some hands-on demonstrations. Insightful and informative ideas were cultivated to enrich our program.
