New Opportunities

The Clark Family Foundation Maintenance Fund is a newly established endowment to fund annual routine repairs and improvements to our facility. You can help build this endowment by making a major gift to the fund.

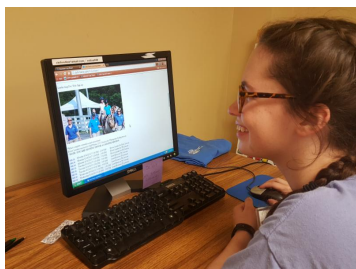

We also invite you to become a founding member of our new **Legacy Society** by making a planned gift to CKRH. Planned giving is a great way to build for the future through gifts of bequests, annuities and retirement plans - just to name a few options.

Please contact Executive Director Pat Kline or Development Director Jessica Byassee at 859-231-7066 to start the discussion on which plan is the best fit for you.

Summer Program News

The **Equine Troop** is having a great time this summer working with our herd, learning about team work, and touring the Kentucky Horse Park.

Horseability, partnering with Easter Seals Cardinal Hill, is a huge success. There have been many tears of joy watching these children connect with our equines.

We Tip Our Hat to You!

Thank you to the many volunteers who played a part in making our annual NIGHT OF THE STARS a success! Funds raised from the gala enable us to maintain our ever-expanding programs.
