Night of the Stars

Benefitting Central Kentucky Riding for Hope

It's almost here! Join us **June 18th** for our biggest fundraiser of the year! Held at the Keene Barn & Entertainment Center at Keeneland.

Calendar

6/9-6/12 PATH Certification at CKRH

6/13-6/19 Prep for NOS [*need volunteers](#)

6/18 [NIGHT OF THE STARS](#)

6:00pm-11:30pm

6/22-6/23 Pony Club Rally at KYHP

QUICK LINKS:

Sign up to volunteer for [NIGHT OF THE STARS](#). We need help the week before setting up the stalls, tables, decorations, etc. We could use some strong folks to help take everything down and pack up on Sunday 6/19 as well.

June is Jumping

CKRH will be hosting a PATH Intl. instructor workshop and certification on June 9-12. Attendees from Kentucky and surrounding states will participate in the workshop, which helps prepare individuals who wish to become Therapeutic Riding instructors and culminates with a certification testing. Several CKRH instructors-in-training are attending. We wish them all the best!

Volunteer News

Do you know someone who may want to volunteer? We have orientations and training sessions once a month. Nothing compares to the satisfaction of knowing you have had a positive impact on another person's life.

Fundraising Opportunities

[Keeneland Shares](#) is Keeneland Hospitality's new program that offers non-profit organizations the opportunity to earn money by working the concession stands at the track's race meet.

The deal requires the group to provide concession workers each weekend, with each person earning \$10 per hour worked, plus any tips. This is a fantastic opportunity for CKRH to earn a substantial amount of money.

Keeneland Shares will continue for Keeneland's Fall Meet in October, with groups needed for Wednesday, Thursday and Friday, as well as for night cleanup on race days.

Please plan now for the Fall Meet and let Vickie know if you are available to help with this fundraiser.

Therapeutic Riding News!

Makayla Sallee, a D1 Pony Clubber, is

preparing to attend the United States Pony Club Rally coming up June 22 and 23 here at the Kentucky Horse Park. The rally is being hosted by our own Mid-South region and will provide completion for all levels of Pony Clubbers. Good Luck Makayla!

Are you a baby boomer?

As the baby-boomer generation really begins retirement in earnest, one of the newest trends in philanthropy is to leave a portion of retirement funds to a charitable organization. We know this trend is happening here because we have received calls from financial planners requesting our non-profit information so that their clients can do just that. Your particular situation will determine whether this is best for you.

Equine Facts

Did you know?

Norwegian Fjords, (the horse not the waterways in Norway)...is a breed which migrated to Norway over 4,000 years ago! Archaeologists have discovered Viking burialsites indicating their usage dating back over 2,000 years!

CKRH has 5 Fjords! Astrid, KyKy, Wanda, Ingrid, and Aksel.... Their stout build and gentle nature make them a wonderful fit for our riding program!
