Horse News

Sixteen of our horses are geared up and ready for our summer programs. Our training staff has been desensitizing them to various teaching aids that will be used in summer programs: balls, hoola hoops, coconuts and much more!

Facility News

Fence repair has begun, and painting will start mid-June. We appreciate everyone who has given time to help scrape off the old paint. The fence will soon have a fresh coat of black paint to match the rest of the Kentucky Horse Park.
