Staff Spotlight - Lisa Swanson

If you've ever had the chance to chat with our **Equine CareManager**, you know our herd is lucky to have Lisa Swanson overseeing their needs. Lisa has more than 30 years of experience working with horses, particularly Natural Horsemanship. She's so in tune with our herd that she's quick to spot an inconsistency in a horse's mental or physical behavior. Lisa is also a PATH Int'l certified instructor

and enjoys working with our veteran's programs and The STABLES students. Lisa came to CKRH from her home state of Connecticut but has become a full-fledged Southern gal with a love for good bbq.

Start Rounding Up Today

You may have heard of both the RiteAid KidCents program and Kroger's Community Rewards. But do you know how easy it is to use your cards at each store to raise money for CKRH?

Simply visit www.kidcents.com and www.kroger.com to register your cards and select Central Kentucky Riding for Hope as your designated charity.

Then each time you shop at either store request that your total be rounded up to the nearest dollar. Your change will be added to the CKRH pot, and a check will be mailed to us. RiteAid will even match every \$500 raised by rounding up.

Therapeutic Riding News

Our independent TR students are busy preparing for the upcoming Paul Frazer Horse Show. We will have riders showing in the walk only and walk/trot dressage tests. Ribbons and trophies will be awarded. We wish them all the best of luck!

Come out and cheer them on Saturday March 25th at the Kentucky Horse Park.

CKRH is very proud to be...

"Equestrian Events, Inc. (EEI), producer of the Rolex Kentucky Three-Day Event, has chosen Central Kentucky Riding for Hope as the official charity of the 2017 Rolex Kentucky Three-Day Event."
