Kristina ("Tina") Maddux has been in lessons with us since last year and participated in the **NIGHT OF THE STARS** Fundraiser. She loves trotting and riding in the 2 point position. Her mother Robin now volunteers with us. Both mother and daughter donated their time helping decorate the facility for Christmas. Robin is always eager to spend more time at CKRH.

### Therapeutic Riding News!

Our independent TR students are busy preparing for the upcoming Paul Frazer Horse Show. We will have riders showing in the walk only and walk/trot dressage tests. Ribbons and trophies will be awarded. We wish them all the best of luck!!

### Kind Words from a Nice Young Man

Tom Johnston of Georgetown College came to CKRH for a student learning tour in February...Here is what he told Volunteer Coordinator Vickie Palmer afterward:  
 "Ms. Palmer,  
 Thank you for taking the time to email me. I really enjoyed my time at CKRH yesterday. I might not know much about horses but I recognize genuine people dedicated to their job."

### Acupuncture & Horses?

This ancient therapy is used at CKRH to complement our excellent conventional veterinary care and has been very effective in the treatment of arthritis, which is a common ailment found in older horses. Several members of our herd receive acupuncture routinely. They love the therapy and most times fall asleep while being treated. This is very interesting to watch!

Feel free to contact our Equine Manager, Lisa Swanson, if you would like more information on the use of Acupuncture in horses as a supportive therapy.
