## Looking for some more **AWESOME** volunteers, just like YOU for 2014!

If you know of anyone you can send our way for the 2014 year, please let me know. YOU, our dedicated volunteers that see the difference that you are making every time you are out here, are our best method of recruitment. YOU know first-hand what we are looking for in volunteers and know the many benefits YOU receive by giving of your time, talents and love to our clients and herd. With YOUR help, WE can provide the best experience for our clients and for OUR volunteers. ***The next volunteer training will be in January 2014.*** Please feel free to pass on my contact info to anyone you think may be a great addition to our volunteer team, or if you know of a good recruiting source that I can follow up on.
