18th Annual Tack Sale/Trail Ride Update

This year KY Horse Park Mounted Police were called in to control the crowds lined up for the "Black Friday of Tack Sales!" All customers behaved themselves and spent their money generously. The beautiful Indian Summer weather brought in trail riders from near and far, many in costumes for the Halloween Costume Class. You can view more photos at [Leslie Potter's website](#).

Annual Fund Letters will arrive early November

Please watch your mailbox for an important letter from CKRH. Our Annual Fund contributes to the costs of running the facility for the year - electric, water, telephone, all the necessities. Your continued support is very much appreciated.

Volunteer News

Thank you to all the volunteers (116) who helped the week of the Tack Sale! Your efforts made it one of the smoothest events we've had!

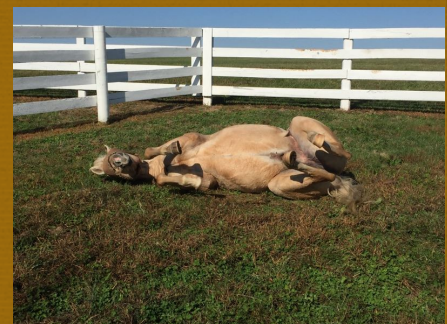

Watch for emails with the next session schedule and orientation/training dates for new volunteers. If you would like to volunteer for the next session please email volunteers@ckrh.org and let us know your availability.

Equiforce Annual Update - Current Volunteers if you haven't already done so, please complete the Annual [Update](#). Also, be sure to **VERIFY** your signature and choose the months and days you are available.

Equine News

Therapy horses need vacations too!

The CKRH Herd is taking some much needed time off to relax and just be horses. The Fjord girls were overheard making plans to visit Norway - they said enough of this summer weather in November!
