Bouncing Baby Girl

A baby shower was recently held for our assistant equine manager and certified instructor, Alyss, and her husband, Mike. She will be leaving her position with CKRH to devote more time to their expected baby girl.

Alyss has touched many lives here at CKRH. We will miss her bright smile and cheerful attitude.

Annual Fund Drive

The first of November means the start of our Annual Fund Drive! Be on the lookout for a donation packet in your mailbox or donate online at CKRH.org.

In the world today, Hope is a priceless commodity. **You can give Hope by making a gift to CKRH** to enable those with challenges to work on being the best they can be.

STABLES News

Students have been learning carpentry and design skills though building a new ramp for our muck wagon. They have drawn and blueprints and even made small-scaled models to test their plans. Watch for updates as this process unfolds!
