## Facility News

Our fences are repaired and painted! Thank you to [Farm Paint](#) for donating the many barrels of paint, [EQUUS Foundation](#) for the grant to repair fencing, and to the anonymous donor who paid for the labor costs. We would also like to thank [Amteck of KY, Inc](#) for replacing light bulbs throughout the facility.

## Horse News

A huge "Thank You" to Lyn and Dr. Modesty Burleson for the generous donation of their mare, Pretty Reason. She is a wonderful addition to our band of retired thoroughbred mares whose new job is helping with unmounted mental health services. "Reason" has settled in nicely and is sure to be a favorite member of our herd.
